

## YCS Round VI Selections – List of Candidates Invited to the Interviews on 7<sup>th</sup>, 8<sup>th</sup> and 9<sup>th</sup> May 2009

**NB: The ranking order is on the basis of the average % of correct answers in the 3 EN test, and of its related scores, displayed under the column “Total EN Score”. As per decision of ECLO and ACDEI, seen the low number of candidates who actually passed the strictest criteria originally set by the YCS Rules, it has been established that candidates invited to the interviews are the first 100 applicants with the best marks in English. EU Test will only count for the final score after interviews.**

***NB: The columns “TOT 2” and “Totals 1 + 2” are displayed for information purposes alone. The scores indicated here are the overall scores including the EU test and the scores of the pre-selection.***
